NEW USER FACILITY FEE (nuff)

a. At the time that application is made for a new service, the applicant shall deposit with the City of Dover a New User Facility Fee in the amount of \$5,000.00 per Equivalent User (ER) as determined by the Water Department. An Equivalent User is equal to the amount of water used by a single-family residence. A typical ER is considered to be equal to 7,000 gallons of water per month.

These water rates shall be reviewed annually by the Water Department and adjustments shall be made by action of the City Council.

The rates herein provided to be paid and collected, shall be effective for all collection periods beginning on or after the date of this resolution.
