

CITY OF DOVER, IDAHO

RESOLUTION # 42

A RESOLUTION BY THE CITY OF DOVER, A MUNICIPAL CORPORATION OF THE STATE OF IDAHO, PROVIDING FOR ELEGIBILITY FOR FLOODPLAIN INSURANCE AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, certain areas of Dover are subject to periodic flooding, mudslides (i.e. mudflows), or flood-related erosion, causing serious damages to properties within these areas; and

WHEREAS, it is the intent of the City Council to require the recognition and evaluation of flood, mudslide (i.e. mudflow), or flood-related erosion hazards in all official actions relating to land use in areas having these hazards and

WHEREAS, this body has the legal authority to adopt land use regulations and control measures to reduce future flood losses pursuant to Title 50, Chapter 9 and Title 67, Chapter 65, Idaho Code.

NOW, THEREFORE, BE IT RESOLVED, that the Dover City Council hereby;

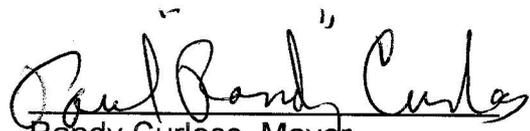

1. Assures the Federal Insurance Administrator that it will enact as necessary and maintain in force in those areas having flood, mudslide (i.e. mudflow), or flood-related erosion hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set for the for the National Flood Insurance Program in Part 60 Title 44 of the Code of Federal Regulations
2. Vests the City of Dover with the responsibility, authority and means to:
 - (a) Assist the Planning and Zoning Administrator, at his request in his delineation of the limits of the area having special flood, mudslide (i.e. mudflow), or flood-related erosion hazards.
 - (b) Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain, mudslide (i.e. mudflow) or flood-related erosion areas.
 - (c) Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map and identify floodplain, mudslide (i.e. mudflow), or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining floodplain mudslide (i.e. mudflow) and/or flood-related erosion areas in order to prevent aggravation of existing hazards.
 - (d) Submit on the anniversary date of the community's initial eligibility an Annual Report to the State Coordinator of the National

Flood Insurance Program on the progress made during the past year within the community in the development and implementation of floodplain management measures.

(e) Upon occurrence notify the State Coordinator of the National Flood Insurance Program in writing whenever the boundaries of the community have been modified by annexation or the community has otherwise assumed or no longer has authority to adopt and enforce floodplain management regulations for a particular area. In order that all applicable Flood Hazard Boundary Maps and Flood Insurance Rate Maps accurately represent the community's boundaries, include within such notification a copy of a map of the community suitable for reproduction, clearly delineating the new corporate limits or new area for which the community has assumed or relinquished floodplain management regulatory authority.

3. Appoints the City Clerk to maintain for public inspection and to furnish upon request, for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certificates of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest habitable floor (including basement if habitable) of all new or substantially improved structures, and include whether or not such structures contain a basement, and if the structure has been flood proofed the elevation (in relation to mean sea level) to which the structure was flood proofed;
4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

Approved as duly adopted resolution of the City of Dover, Idaho by the City Council of said City on this 10th day of August, 2006.
